---

## Biographical Note

The Baldwin Locomotive Works was started as a sole proprietorship by Matthias W. Baldwin in 1831. The company was the largest railroad engineering plant of its kind in the world. It is now out of business.

## Scope and Contents

Four scrapbooks containing items relating to the Baldwin Locomotive Works, including: blueprints, photographs, examples of company letterhead and blank company forms, clippings and articles, business records such as contracts and specifications, trade literature, and miscellany.

---

## Arrangement

1 series.

---
