Terms Governing Use and Reproduction

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Scope and Contents

Collection documents inventor Milt Jackson who discusses his "re-invention" of the test tube. Jackson's test tube has a flat side that enables it to rest horizontally without a rack, and a bent end. Milt Jackson is the founder of the company Norwood-Cortez which provides computer systems design services.

Arrangement

1 series.
