## Biographical / Historical

Lester Brown is an American authority on environmental subjects, founder of the Worldwatch Institute, and founder and president of the Earth Policy Institute. He has authored numerous books on environmental subjects.

## Scope and Contents

The presentation documents author and environmentalist Lester Brown, as interviewed by Marc Pachter. Brown discusses the challenges of sustaining civilization. He discusses his influence on the early environmental movement and about solutions to today's environmental problems. Materials consist of digital video, audio CDs, and a DVD.
