## Biographical / Historical

Ivy was an oral surgeon who specialized in patients with cleft lips and cleft palates. Born in London, Ivy emigrated to the U.S at the age of 6, but went back to England to attend the Emmanuel School. At the age of 18 years in 1898, Dr. Ivy attended the University of Pennsylvania School of Dental Medicine. He then attended University of Pennsylvania School of Medicine. He served as the first dental intern in the United States in 1901 at the Philadelphia General Hospital. Dr. Ivy worked as an assistant to Dr. Vilarity Blair at the Surgeon's General Office in Washington in 1917. Later he was assigned to Base Hospital in France, which saw many patients with face, head and jaw injuries. He wrote a textbook called Applied Anatomy and Oral Surgery for Dental Students.

---

## Scope and Contents

The collection includes letters, many of which are of an honorary nature such as awards and appointments, some of which relate to his publishing activities and others to medical or military subjects; slides and

photographs of patients; a few photographs relating to his military service; writings, journal articles written by Ivy and by others; articles; reports; reference materials; and a 16mm film.

---

## Arrangement

Collection is unarranged.

---
