Collection Overview

Repository:	Archives Center, National Museum of American History
Title:	Black and Decker Collection
Identifier:	NMAH.AC.1441
Date:	1914-1992
Extent:	1 Cubic foot (5 boxes)
Language:	English .
Summary:	Approximately 150 photographic negatives, 54 photographic prints, and two rolls of film negatives documenting the history of the Black and Decker Corporation, from a few years after its founding in Baltimore, Maryland, in 1910, through the 1990s.

Administrative Information

Acquisition Information

Immediate source of acquisition unknown.

Provenance

Transferred to the Archives Center from the Division of Work and Industry, 2017.

Preferred Citation

Black and Decker Collection, Archives Center, National Museum of American History

Restrictions

Collection is open for research.

Conditions Governing Use

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

Content Description

Approximately 150 photographic negatives, 54 photographic prints, and two rolls of film negatives documenting the history of the Black and Decker Corporation, from a few years after its founding in Baltimore, Maryland, in 1910, through the 1990s. The photographs depict company executives and employees in portraits, at work, and at company functions and conferences; company recreational activities, including bowling, soccer, picnics and a minstrel show; office and factory interiors and exteriors; Black and Decker products; and company vehicles.

Arrangement

Collection is arranged into two series.

Series 1: Company Files, 1910-1975

Series 2: Photographs, 1914-1992

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Names:

Black & Decker Corporation (Towson, Md.)

Container Listing

Series 1: Company Files, 1910-1975

Box 1, Folder 1	Patents, 1917

Series 2: Photographs, 1914-1992

Box 1, Folder 24	Employees, 1910-1951, undated
Box 1, Folder 25	Employee activities, 1914-1945 Image(s): Employee Activities
Box 1, Folder 26	Sales manager meetings, 1938-1956 Image(s): Sales Manager Meetings
Box 1, Folder 27	Publicity photographs, 1992 Image(s): Publicity Photographs
Box 1, Folder 28	Exterior of office and manufacturing building, undated Image(s): Exterior of Office and Manufacturing Building
Box 1, Folder 29	"E" award, Botwinik Brothers, undated Image(s): "E" Award at Botwinik Brothers Photographs
Box 1, Folder 30	Towson, Maryland, engineering department remodeling , undated
	Photographs, 1992.0532.004-051, undated
Box 2	1992.0532.004, SI NEG. #93-8671, Black & Decker, Inc. Picture of group of men lined up outside with trees in the background. To the proper left side are two men, one is looking at the camera, the second appears to be raising a flag? The photograph appears to be a company picnic/retreat. Directly behind the men is a stack of logs/sticks smoking. To the proper left is a tent cover. To the proper right bottom corner is: "13 Retreat."
Box 2	1992.0532.005, SI NEG. #93-8670, Black & Decker, Inc. Picture of four men posed outside. Three men are sitting, the fourth is standing, leaning on a tree. All are dressed casually, three are wearing button up shirts, the fourth is wearing a jacket. There are trees in the background and a tent visible to the proper right. To the bottom proper left is: "OUR GANG" August, 1927 K & WHITE
Box 2	1992.0532.006, SI NEG. #93-8669, Black & Decker, Inc. Picture of mostly men seated and eating at long tables under a tent cover. They are looking at the camera. The women in the picture appear to be serving the food. In the background are signs: "Every shop needs another Black & Decker" and "A completely equipped shop should have these 8 Black & Decker Tools. The proper left side is slightly washed out by sun. To the proper left bottom handwritten is: "How We Eat 6."
Box 2	1992.0532.007, SI NEG. #93-8668, Black & Decker, Inc. Picture of men standing in a circle, apparently playing a game? To the proper right is a tent, and to the proper left side are seven or eight tents in a row. There is a small stream that divides the men and row of tents. In the foreground is a "spit" with a pig carcass being roasted, a man is turning the "spit."

	The background is surrounded by trees. To the bottom proper right, handwritten is: "8 Favorite Diversion."
Box 2	1992.0532.008, SI NEG. #93-8667, Black & Decker, Inc. Picture of men carrying the pig roast from the "spit"; There are six men visible. In the background is a tent. There is a wood house to the proper right side. To the left proper side of the tent are a group of women watching. Trees surround the scene. To the bottom proper right is: " 7 This little pig came from the market."
Box 2	1992.0532.009, SI NEG. #93-8662, Black & Decker, Inc. Picture of a row of nine tents. Trees are in the background. To the bottom proper right is: "5 Some of the Tents."
Box 2	1992.0532.010, SI NEG. #93-8661, Black & Decker, Inc. Picture of mostly men and a few women seated in an auditorium/large room. The seats are arranged around long tables in a "U" shape. At the open end of the "U" is a man playing the piano. There are American flag banners and solid color banners hanging from the ceiling.
Box 2	1992.0532.011, SI NEG. #93-8658, Black & Decker, Inc. Sales Conference, 1919. Picture of four rows of men posed for the photograph (there is one woman in the middle of the second row from the bottom). The men and woman are dressed formally. They are in a building with windows in the background and American flag and solid colored banners hanging from the ceiling above the people, [division also has original Black & Decker photograph].
Box 2	1992.0532.012, SI NEG. #93-8660, Picture of nineteen men in suits and overcoats (and hats) standing outside a building. Three rows of Black & Decker Inc. Picture of men standing on the steps are below the "balcony/entryway" and one row of men is standing along the top railing. There are two large bushes on each side of the men.
Box 2	1992.0532.013, SI NEG. #93-8659, Black & Decker, Inc. Picture of eighteen men mostly in suits (one in an overcoat and hat) standing outside a building. Three rows of men standing on the steps are below the "balcony/entryway" and one row of men is standing along the top railing. There are two large bushes on each side of the men.
Box 2	1992.0532,014, SI NEG. #93-8657, Black & Decker, Inc. Picture of twenty women in a row standing outside on a deck in front of a rustic, wooden, two story cabin. To the right proper side is a sign (cut off in the picture) "Black & Decker."
Box 2	1992.0532.015, SI NEG. #93-8665, Picture of water wheel outside of wooden cabin. Wheel is in motion, blurred.
Box 2	1992.0532,016, SI NEG. #93-8664, Black & Decker, Inc. Picture of approximately thirteen men in a room. The men are wearing lab coats with "Black & Decker" printed on the back. They are watching what appears a large table drill demonstration (one man is working thee

machine). The number "3" is handwritten probably on original negative emulsion and shows up on the photograph to the proper left bottom corner.

Box 2	1992.0532.017, SI NEG. #93-8663, Black & Decker, Inc. Picture of nineteen men dressed in overcoats and fedora hats. The men are standing/positioned in front and on the steps outside of a building. To the left proper lower corner handwritten probably on the original negative (shows up on the photograph in white) is "BLACK AND DECKER INDUSTRIAL SALES FORCE / DECEMBER 10TH 1926."
Box 2	1992.0532.018, SI NEG. #93-8666, Black & Decker, Inc. Picture of large tree in front of a one story building/house. The tree takes up the majority of the photograph, a bench has been built around the trunk of the tree.
Box 2	1992.0532.019, SI NEG. #93-8649, Black & Decker, Inc. Picture of interior of a "limousine" car/bus with approximately nine men inside. All but one of the men are seated, the standing man is at one end of the car apparently demonstrating a tool of some sort. Several tools are visible at the end of the car where the man is doing the demonstration. The seats in the car are wicker seats with arms. All of the men are wearing sports coats, several are wearing fedora hats. The proper right bottom corner has "11" handwritten in white (apparently written on the original negative). (Similar picture to index 1992.0532.20).
Box 2	1992.0532.020, SI NEG. #93-8655, Black & Decker, Inc. Picture of interior of a "limousine" car/bus with approximately nine men inside. All but one of the men are seated, the standing man is at one end of the car apparently demonstrating a tool of some sort. Several tools are visible at the end of the car where the man is doing the demonstration. The seats in the car are wicker seats with arms. All of the men are wearing sports coats, several are wearing fedora hats. The proper right bottom corner has "7" handwritten in white (apparently written on the original negative). (Similar picture to index 1992.0532.19, closer view).
Box 2	1992.0532.021, SI NEG. #93-8647, Black & Decker, Inc. Side view of the Black and Decker "limousine" car/bus parked in front of a building. On the side of the car lettered in large white capital letters is "Black & Decker" and along the top of the center window in smaller lettering is "With the Pistol Grip and Trigger Switch." This photograph has handwritten marks on the front with lines from the front of the car to the back and what appears to be a measurement of some sort "3' 4". To the proper right bottom corner is "9" [marked up view of index 1992.0532.22].
Box 2	1992.0532.022, SI NEG. #93-8650, Side view of the Black and Decker "limousine" car/bus parked in front of a building. On the side of Black & Decker, Inc. the car lettered in large white capital letters is "Black & Decker" and along the top of the center window in smaller lettering is "With the Pisto Grip and Trigger Switch." To the proper right bottom corner is "4" [similar to index 1992.0532.21].

Box 2	1992.0532.023, SI NEG. #93-8653, Black & Decker, Inc. Three quarter view of the Black and Decker "limousine" car/bus parked inside. On the side of the car lettered in large white capital letters is "Black & Decker." The back of the car/bus has the license plate "242-126." There is a round attachment to the decorative grill-like piece. The round attachment is unreadable in the picture, however the "B&D" is visible at the center.
Box 2	1992.0532.024, SI NEG. #93-8651, Black & Decker, Inc. Side view of the Black and Decker "limousine" car/bus parked outside of the "HENRY CHANNON BLDG." Building. People are visible seated inside the car and looking toward the camera. Bystanders are visible in front and behind the car. Along the side of the car in white lettering is "Black & Decker" in large, capital letters, and above the center window is "With the Pistol Grip and Trigger Switch." At the front, side of the car is a name plate "Pierce Arrow." [similar to 1992.0532.24]
Box 2	1992.0532.025, SI NEG. #93-8656, Black & Decker, Inc. Side view of the Black and Decker "limousine" car/bus parked outside of a building. People are visible seated inside the car and looking toward the camera. This image is the same as accession number 1992.0532.24 however it has been "air brushed." Much of the building has been whited out except the entrance with the half columns and facade. The name of the building has also been "erased" from the original picture. Along the side of the car in white lettering is "Black & Decker" in large, capital letters, and above the center window is "With the Pistol Grip and Trigger Switch." At the front, side of the car is a name plate "Pierce Arrow," [similar to 1992.0532.24]
Box 2	1992.0532.026, SI NEG. #93-8648, Black & Decker, Inc. Side view of the Black and Decker "limousine" car/bus on a completely white background. Along the side of the car in white lettering is "Black & Decker" in large, capital letters, and above the center window is "With the Pistol Grip and Trigger Switch." At the front, side of the car is a name plate "Pierce Arrow."
Box 2	1992.0532.027, SI NEG. #93-8654, Black & Decker, Inc. Back view of the Black and Decker "limousine" car/bus parked on a gravel/dirt driveway with trees in the background. The license is "242-126/Maryland 1925." There is a round metal attachment to the back with the logo "THE BLACK & DECKER MFG.CO. /TOWSON MARYLAND" in dark lettering around "Electric B&D Tools" at the center of the circle. There is a striped "awning" at the top, and curtains are visible on the back window and a tool is visible through the window. At the bottom proper right corner is the number "1" handwritten (apparently on the original negative).
Box 2	1992.0532.028, SI NEG. #93-8652, Black & Decker, Inc. Six views of a Black and Decker car/truck. The first view is of the full car/truck with "Black & Decker" on the window; the second view is of the car/truck parked in front of a "Black & Decker" store, the truck has the back door opened; the third view is a close up of the interior of the truck from the back; the fourth view is another close up view of the interior from the back; the fifth view is a close up view of the interior back door; the sixth

view is a view of the interior of the truck. [The full views of these images are numbered [1992.0532.29-.34].

Box 2	1992.0532.029, SI NEG. #93-11484, Black & Decker, Inc. Side view of a Black & Decker car/truck parked in the street. "Black and Decker" is in large letters on the side back window. This image is a close up/full view of the first image on photo #1992.0532.28.
Box 2	1992.0532.030, SI NEG. #93-11482, Black & Decker, Inc. Side view of a Black & Decker car/truck parked in front of the "Black & Decker" store. The windows have "Black & Decker" and "Van Dorn" on them. The back door of the truck is open, with tools visible on the interior of the door. This image is a close up/ full view of the second image on photo #1992.0532.28.
Box 2	1992.0532.031, SI NEG. #93-11481, Black & Decker, Inc. Back view of a Black & Decker car/truck parked in front of the Black & Decker store. The window visible in this picture has "Van Dorn/Powerful Electric Tools" on it. The back door of the truck is open with tools on the interior of the door and tools visible inside the truck, there is a cage/metal fence visible that separates the back of the truck with the drivers seat. In the background, above the truck is the sign for "Jenkins Engineering Company. This image is a close up/full view of the third image on photo #1992.0532.28.
Box 2	1992.0532.032, SI NEG. #93-11480, Black & Decker, Inc. View of inside of a Black and Decker car/truck, visible from the back door. Tools are visible on the interior of the door and on the interior of the truck. There appears to be a tool case on one side, a trunk in the middle and a compressor?) on the other side. The bottom of the license plate is visible "T Washington 31." In the background is a metal fence, which separates the tools from the drivers seat. This image is a close up/ full view of the fourth image on photo #1992.0532.28.
Box 2	1992.0532.033, SI NEG. #93-11483, Black & Decker, Inc. View of interior of back door of a Black and Decker car/truck. Tools are attached to a plywood insert in the back of the truck (wire wheel brushes, circular saw parts, and others). The logo "Black & Decker" is on an extended wing like background. This image is a close up/full view of the fifth image on photo #1992.0532.28.
Box 2	1992.0532.034, SINEG. #93-11479, Black & Decker, Inc. Black and Decker car/truck. Tools are visible inside the truck. A trunk is visible on the other side. A metal "fence" is visible that separates the tools visible on one side, and a compressor from the drivers seat. This image is a close up/full view of the sixth image on photo #1992.0532.28.
Box 2	1992.0532.035, SI NEG. #93-7293, Black & Decker, Inc. View of front of a Black and Decker car, parked on a gravel/dirt road. License is visible "242-126/Maryland 1925," there is an outspread wing hood ornament on the front. In the background is another car to the proper left, trees all around and buildings visible in the far background. To the bottom front

	right proper corner is the number "6" handwritten (apparently written on the original negative).
Box 2	1992.0532.036, SI NEG. #93-7292, Black & Decker, Inc. View of approximately twelve men in white lab coats standing under a tent that is set up outside. The men are standing around two tables watching some sort of tool demonstration. The "floor" is several boards lined up, and there is a power generator to the proper left. Several of the men are "blurred" due to movement when the shot was taken. There are several cars lined up to in the background.
Box 2	1992.0532.037, SI NEG. #93-7291, Black & Decker, Inc. Picture of a man sitting in a car/truck. The man is in the drivers seat but turned around putting a tool away in a compartment, which is part of a row of compartments for the storage of tools. The man is wearing a rimmed hat, and has a ring on the "pinky" finger of his left hand.
Box 2	1992.0532.038, SI NEG. #93-7290, Black & Decker, Inc. Side view of the Black and Decker "limousine" car/bus parked outside of a building. People are visible seated inside the car and looking toward the camera. This image is the same as accession number 1992,0532.24 however it has been "air brushed." Much of the building has been whited out except the entrance with the half columns and façade. The name of the building has also been "erased" from the original picture. Along the side of the car in white lettering is "Black & Decker" in large, capital letters, and above the center window is "With the Pistol Grip and Trigger Switch." At the front, side of the car is a name plate "Pierce Arrow." [slightly "grayer" image of 1992.0532.24].
Box 2	1992.0532.039, SI NEG. #93-7289, Black & Decker, Inc. Interior view of Black & Decker truck, through the open back door. Tools are visible mounted on a wooden wall inside [table saws, drills, etc.]. The car is parked under covering. [For close up view of tools, see 1992.0532.40].
Box 2	1992.0532.040, SI NEG. #93-7288, Black & Decker, Inc. Interior view of Black & Decker truck, through the open back door. The backside and the left side of the truck are visible. Tools are visible mounted on a wooden wall inside [table saws, drills, etc.]. [This is a close up view of image #1992.0532.39.]
Box 2	1992.0532,041, SI NEG. #93-7287, Black & Decker, Inc. Interior view of Black & Decker truck, through the open back door. The backside and the right side of the truck are visible. Tools are visible mounted on a wooden wall inside [table saws, drills, etc.]. The image is dark. [This is a close up view of image #1992,0532.39.]
Box 2	1992.0532 042, SI NEG.#93-7286, Black & Decker, Inc. Interior view of Black & Decker truck, through the open back door. The car is parked outside of a the floor and on the inside walls as well as what appears to Black & Decker store. Tools are visible inside mounted on be drill bits mounted on the inside of the door. There is a "Black & Decker" logo

nameplate on outspread wings mounted on the top and on the middle of the back door.

Box 2	1992.0532.043, SI NEG. #93-7285, Black & Decker, Inc. Picture of a man standing near a truck/car in front of a building. The man is holding a drill in his left hand and holding the back door with his right hand. He is wearing a suit and a fedora hat. The license visible reads "PO / 11-214 / OHIO-1929."
Box 2	1992.0532.044, SI NEG. #93-7284, Black & Decker, Inc. Close up of interior view of a Black & Decker truck. Tools are visible mounted on wooden walls [drills, saws, etc.].
Box 2	1992.0532.045, SI NEG. #93-7283 Black & Decker, Inc. Picture of a man seated at a drawing table and looking at the camera; he has round wire rim glasses. He appears to be working on a diagram/design on paper on the table. The man is wearing a shirt, tie and vest. The shirt sleeves are rolled up, he is wearing a watch on his proper left wrist and holding a ruler in his left hand, right hand he is holding a pencil. To the proper right upper corner is a white rectangle with "HARRY" typed on it (probably on the negative).
Box 2	1992.0532.046, SI NEG. #93-7282, Black & Decker, Inc. Picture of a Black & Decker motor coach/bus parked in front of a building. Seats are visible inside facing each other. Part of the license plate is visible at the front "126." "BLACK & DECKER is visible on the side of the truck/car. To the bottom proper right corner is "10", probably written on the negative. The Pierce Arrow Bus was outfitted to demonstrate tools, 1925.
Box 2	1992.0532.047, SI NEG. #93-7281, Black & Decker, Inc. Picture of a man seated in a car, parked outside of a building. The man is wearing a fedora hat and looking at the camera. The front license plate is "PO/11-214/ Ohio-1929." There is a spare tire at the side of the car "Ford"; Cars are visible in the background parked under a car port.
Box 2	1992.0532.048. SI NEG. #93-7280, Picture interior of a Black & Decker truck. Tools are visible mounted inside [drills, saws, etc.]. [Same image as 1992.0532.49],
Box 2	1992.0532.049, SI NEG. #93-7279, Picture of interior of a Black & Decker truck. Tools are visible mounted inside [drills, saws, etc.]. [Same image as 1992.0532.48].
Box 2	1992.0532.050, SI NEG. #93-7278, Black & Decker, Inc. Picture of man in car parked outside of a row of stores. On the window fronts are "Mill Supplies/Steam Gas & Electric"/ "Black & Decker"/ "New Jersey/ Engineering & Supply Co."; the address number "577" is above the door.
Box 2	1992.0532.051, SI NEG. #93-7277, Black & Decker, Inc. Picture of interior of long car/bus. The back of the truck has a table top with tools

mounted on it; there are rows of drawers to the right (one is open at the back of the picture with a tool in it).

Photographs, 1992.0532.052-.151, undated

| Box 3 | 1992.0532.055, SI NEG. #93-7273, Black & Decker, Inc. A distant view of the Black & Decker buildings, a 3/4 view, with a large field of grass in front. There are several long buildings. In the background are trees and houses are visible in the areas of the trees. |
| Box 3 | 1992.0532.056, SI NEG. #93-7272, Black & Decker, Inc. A distant view of the Black & Decker buildings, straight on 'with the sign, with a large field of grass in front. To the proper right side of the image is the profile of a chin and lips. In the background are trees and houses are visible in the areas of the trees. |
| Box 3 | 1992.0532.057, SI NEG. #93-7271, Black & Decker, Inc. An aerial view of the Black & Decker buildings, from the left proper side of the complex. To the upper, proper right side is a separate Black and Decker, more "formal" building. In the foreground are trees and houses. Slightly dark image. |
| Box 3 | 1992.0532.058, SI NEG. #93-7270, Black & Decker, Inc. An straight on view of a Black & Decker building. "BLACK & DECKER" signs are to the proper left and proper right of the building. There is an American flag at the peak of the front entrance. There is a gravel/dirt driveway in front of the building. The number "39" is in white to the proper lower right corner (presumably written on the negative). |

Box 3	1992.0532.059, SI NEG. #93-7269, Black & Decker, Inc. A view of the Black and Decker building from the proper left. The "BLACK & DECKER" signs are to the proper left and proper right of the building. There is a flag pole at the peak of the front entrance. At the proper left side is a balcony.
Box 3	1992.0532.060, SI NEG. #93-6041, Black & Decker, Inc. Picture of a framed portrait of a Caucasian man seated. The man is facing to the proper right, he is wearing glasses, his left hand is resting on an arm chair. He is wearing a suit and tie. The left hand has a ring on the ring finger. The bottom proper left has "r'W495" in white (probably written on the negative).
Box 3	1992.0532.061, SI NEG. #93-6040, Black & Decker, Inc. Picture of a Caucasian man standing in front a a car with a drape over it. Behind the mans head and shoulders there is a "rough" square that has been "whited" out (originally on the negative presumably). The man is wearing round, black rimmed glasses and a light, pin-striped double breasted suit. He is holding his hands behind him. The license of the car is partially visible to the proper right side "9-6".
Box 3	1992.0532.062, SI NEG. #93-6039, Black & Decker, Inc. Portrait of a Caucasian man, three-quarter view (head & shoulders), with black background. His head is slightly turned looking at the camera. The man is wearing round dark rimmed glasse
Box 3	1992.0532.063, SI NEG. #93-6038, Black & Decker, Inc. Portrait of an older Caucasian man, looking straight on,with black background (head & shoulders).
Box 3	1992.0532.064, SI NEG. #93-6037, Black & Decker, Inc. Portrait of a Caucasian man, looking straight on (head & shoulders). The background is blurred. The man is wearing a sports jacket and tie. To the upper proper right corner are scratch marks, presumably original negative. This man appears to be the same man in picture 1992.0532,65.
Box 3	1992.0532.065, SI NEG. #93-6036, Black & Decker, Inc. Portrait of a Caucasian man, looking straight on (from upper torso). The man is wearing a dark suit with diamond design tie, and the background is a gray/black. At the lower proper left corner is "W-413 in white, probably written on the original negative. This man appears to be the same man in picture 1992.0532 64.
Box 3	1992.0532.066, SI NEG. #93-6035, Black & Decker, Inc. Portrait of a Caucasian man, looking straight on (head & shoulders). The man is wearing a dark suit and tie. There appears to be a button or pin on the proper left of his suit. The man is slightly balding and has a mustache.
Box 3	1992.0532.067, SI NEG. #93-6034, Black & Decker, Inc. Picture of a man standing near a table top drill(7). The man is wearing round, dark rimmed glasses, and is wearing a shirt with rolled up sleeves and a vest. His left

hand is resting on the table top and there is a long handle attached to the drill/machine that extends above the mans head,

Box 3	1992.0532.068, SI NEG. #93-6033, Black & Decker, Inc. Picture of a man (from torso), in front of a dark background. He is wearing a tweed sports jacket and a tie with a diamond design, there is a handkerchief in his proper left pocket. The man has slick backed hair and has small "square" formed mustache. To the lower proper right corner is "W -313, probably handwritten on the negative.
Box 3	1992.0532.069, SI NEG. #93-6032, Black & Decker, Inc. Picture of a man seated against a dark background. He is wearing a light suit, the buttons are fastened. His arms are resting on his lap. His hair is parted to the side.
Box 3	1992.0532.070, SI NEG. #93-6031, Black & Decker, Inc. Picture of a man against a light background. He is wearing a dark sports jacket with a polka dot tie, The image is slightly blurred. The man has a slight mustache, and his hair is parted to the proper right. To the Sower right proper comer is "E E Powell." The image has water spots overall (unsure if it is on the negative or if it happened during the developing)
Box 3	1992.0532.071, SI NEG. #93-6030, Black & Decker, Inc. Picture of a man (head & shoulders) against a light gray background. He is wearing a dark sports jacket with a striped tie. The tie has a pin toward the top. He has light colored hair. To the bottom, proper right corner is "C M Peter.
Box 3	1992.0532.072, SI NEG. #93-6029, B;ack & Decker, Inc. Picture of a group of men standing with their backs to the camera and in front of a house with a "BLACK & DECKER" sign on the peak. The sign is on an outstretched wing design. The men all have white lab coats onwith "Black & Decker" on the back on the same wing design. There approximately 60 men in the photo."4" is to the lower proper right corner. There is a mark/scratch to the upper proper left quarter of the photo unclear is on the original negative or if it happened during the developing of the photo.
Box 3	1992.0532.073, SI NEG. #93-6028, Black & Decker, Inc. Picture of a group of men standing under a tent covering, set up outside. At the center they are watching a demonstration of what appears to be a man operating a large drill or sander(?). The men are all wearing white lab coats with the "Black & Decker" logo on the back. The floor of the tent is several pieces of wood in a row. In the foreground is a table with several tools lined up on it. In the right proper background is a car with the door opened. To the proper left bottom corner is the number "5", probably written on the original negative emulsion.
Box 3	1992.0532.074, SI NEG. #93-6027, Black & Decker, Inc. Picture of a group of eleven men standing and watching a man demonstrate the use of a large tool (drill?). The tool is attached to a pulley on the ceiling, which is presumably connected to the power source. There are three other tools attached to pulleys on the ceilings, however they are not being used in the photograph. Above the men at the center of the photograph

is the letter C. The image is dark. To the proper lower right proper bottom comer is the number "6 probably written on the emulsion of the original negative.

Box 3

1992.0532,075, SI NEG. #93-6028, Black & Decker, Inc. Picture of a group of men standing under a tent covering set up outside. The men are watching a tool demonstration on a small table. The men are all wearing white lab coats. Some of the men are looking at the camera. In the extreme foreground to the left proper side is a blurred side profile of a man. To the proper left side is a table with tools. At the center running diagonally is a faint line, probably on the negative. To the proper right bottom corner is the number 7", probably written on the emulsion of the original negative.

Box 3

1992.0532.076, SI NEG. #93-6025, Black & Decker, Inc. Picture of a group of men standing under a tent covering set up outside. Some of the men are is a power source using tools set up on a table , some are standing and watching. To the left proper side of the tent floor on wheels. To the proper left side is a row of parked cars. To the proper left bottom corner is the number 2, probably written on the emulsion of the original negative.

Box 3

1992.0532.077, SI NEG. #93-6024, Black & Decker, Inc. Picture of a group of men standing standing and watching a tool demonstration. The men appear to be in two groups. To the proper left side above the men is the letter "B." All but one of the men is wearing a lab coat. There is a long table along the back of the room where the demonstration is going on, and there are empty tables and on the chairs in the front (slightly pushed aside),to the proper left bottom corner is the number "1" probably written emulsion of the original negative.

Box 3

1992.0532.078, SI NEG. #93-6042, Black & Decker, Inc. Portrait of a Caucasian man (head and shoulders) against a gray background. The man is slightly balding, wearing a dark suit and diamond design tie. Below the photograph in black lettering is: "MYRON G. DOLL / MANAGER / SOUTH & CENTRAL AMERICA

Box 3

1992.0532.079, SI NEG. #93-6043, Black & Decker, Inc. Portrait of a Caucasian man (head and shoulders) against a light background. The man has a receding hairline, and is wearing glasses. He is wearing a light colored suit and striped tie.

Box 3

1992.0532.080, SI NEG. #93-6044, Black & Decker, Inc. Portrait of a Caucasian man (head and shoulders) against a light gray background. The man has a back has a mustache. The man is wearing a suit and tie. The proper left shoulder of the suit appears slicked hair and to have been "penciled" in, presumably on the original negative.

Box 3

1992.0532.081, SI NEG. #93-6045, Black & Decker, Inc. Picture of a Black & Decker truck. The view is from the open back door, showing the tools inside the truck. There are tools inside the truck , in tool cases and tools are mounted on the inside of the door. The Black & Decker" logo

on outstretched wings is on the back door. There is what looks like a torn piece of paper along the bottom and proper right side, probably on the original negative.

Box 3	1992.0532.082, SI NEG. #93-6046, Black & Decker, Inc. Picture of four men standing in back of a car/truck that is parked in the street outside of a "FORD BROS." store. The car/truck has its trunk open, and the man all are holding something and looking at it.
Box 3	1992.0532.083, SI NEG. #93-6047, Black & Decker, Inc. Picture of interior of Black & Decker truck. Four drills are visible mounted inside compressor;) is on the floor below the drills with a "BLACK & DECKER" nameplate on it. There appear to be marks that look like torn paper along the top and right proper side apparently on the original negative, which came through during the developing of the photo.
Box 3	1992.0532.084, SI NEG. #93-6048, Black & Decker, Inc. This appears to be a photo of a photo. The view is an aerial view of the Black & Decker buildings. There are rows of longer buildings to the proper left side and a more formal building to the back center. There is a baseball diamond in a large field at the center of the photo and to the right proper there is a row of houses. Dense trees are in the background, and sporadically throughout the photo. There appears to be tape or some marking that is probably on the original negative.
Box 3	1992.0532.085, SI NEG. #93 6049, Black & Decker, Inc. Picture of "BLACK & DECKER / MANUFACTURING CO." building. There are two other signs right proper; 'ELECTRIC / AIR COMPRESSORS the left proper; "PORTABLE / ELECTRIC DRILLS, The building is long with many windows . There are two cars (c .1925) parked in front of the building and snow on the ground, (same or similar to image 1992.0532.52).
Box 3	1992.0532.086, SI NEG. #93 7361, Black & Decker, Inc. Picture of the front proper left of Black & Decker motor coach bus. The side door is open which makes the compressor for the tools(?) visible. The steering wheel is visible above the compressor, however driver can not get in the bus from this side. The Pierce Arrow Bus was outfitted to demonstrate tools.
Box 3	1992.0532.087, SI NEG. #93-7360, Black & Decker, Inc. Three quarter view of the Black & Decker motor coach bus. The right proper and visible. "BLACK & DECKER" lettering is visible on the side. The wheels are Firestone. The bus is parked in a garage (?). In the foreground is a stand with a flowering plant inside. To the far proper left side is a table and Black & Decker posters. Behind the bus is a tall lamp. The bus appears to have several (four?) sunroofs/vents on top. The Pierce Arrow Bus was outfitted to demonstrate tools, 1925.
Box 3	1992.0532.088, SI NEG. #93-7359, Black & Decker, Inc. Side view of the Black & Decker motor coach/bus. The bus is parked on beside a building. Most of the background has been "whited" out, all that remains

is the entrance to the building with two columns at each side (the address numbers have been colored out). Inside the bus are men seated they all appear to be looking at the camera, the men in back are very visible. BLACK & DECKER is in large block letters along the side above windows in smaller lettering is: "with the Pistol Grip and Trigger Switch." The Pierce Arrow Bus was outfitted to demonstrate tools 1925. (similar picture to 1992.0532.89, slightly different touch ups].

Box 3

1992.0532.089, SI NEG. #93-7358, Black & Decker, Inc. Side view of the Black & Decker motor coach/bus. The bus is parked on the street beside a building. Most of the background has been whited out, all that remains is the entrance to the building with two columns at each side(the address numbers have been colored out). Inside the bus are men seated, they all appear to be looking at the camera, the men in back are very visible. BLACK & DECKER is in large block letters along the side, above the windows in smaller lettering is:"with the Pistol Grip and Trigger Switch." The Pierce Arrow Bus was outfitted to demonstrate tools, 1925. (similar picture to 1992.0532.88, slightly different "touch ups, below the spare tire on the side is a small area scratched out; the outline around the entrance is slightly different].

Box 3

1992 0532.090, SI NEG. #93-7357, Black & Decker, Inc. Side'three-quarter view of the Black & Decker motor coach/bus. The bus is parked on the street beside a building. There is a man in a long coat and fedora (hat) standing along side of bus holding the door open he has one leg up on the landing. Several men are seated in the bus, looking at the camera. The building appears to the same one as in photos #1992.0532.88 & .89 without the "A portion of the address is visible "121. "BLACK & DECKER" is in large block letters along the side, above the windows in smaller lettering is: "with the Pistol Grip and Trigger Switch." The wheels are "Firestone,"The Pierce Arrow Bus was outfitted to demonstrate

Box 3

1992.0532.091, SI NEG. #93-7356, Black & Decker, Inc. Side view of the Black & Decker motor coach/bus with a row of men standing completely in front of the bus. The majority of men are wearing long overcoats with fedora's (hats). There are men in the background on the sidewalk also. The bus is parked along side of a building. The building is the HENRY CHANNON BLDG. address "121-149," which is the same building in the previous photos (1992.0532.88 & .89]. The Pierce Arrow Bus was outfitted to demonstrate tools, 1925.

Box 3

1992.0532.092, SI NEG. #93-7355, Black & Decker, Inc. Interior view of the Black & Decker motor coach/bus, from the back. Six wicker, padded visible along the side. In the background is a table with tools on it , behind the table is a series of drawers. The ceiling has round lights on each side and down the center are round vents.

Box 3

1992.0532.093, SI NEG. #93-7354, Black & Decker, Inc. Interior view of the Black & Decker motor coach/bus, from the front. Four wicker, padded seats are visible along the side, In the background there are padded benches along the side. The driver's seat is visible at the front. The ceiling has round lights on each side and down the center are round

vents. The windows are draped. The Pierce Arrow Bus was outfitted to demonstrate tools.

Box 3	1992.0532.094, SI NEG. #93-7353, Black & Decker, Inc. Close-up interior view of the back of a Black & Decker car/truck. There are shelves in the back with various tools in them. On the floor of the back of the truck is a large tool with a "Black & Decker name plate. On the side of the large tool is a leather bag. [very similar view of photo 1992.0532.95].
Box 3	1992.0532.095, SI NEG. #93-7352, Black & Decker, Inc. Close-up interior view of the back of a Black & Decker car/truck. There are shelves in the back with various tools in them. On the floor of the back of the truck is a large tool with a "Black & Decker name plate. On the side of the large tool is a leather bag.[slightly closer view of photo 1992.0532.94].
Box 3	1992.0532.096, SI NEG. #93-7351, Black & Decker, Inc. Close-up interior view of the side(?) of a Black & Decker car/truck. There are drills hanging from hooks inside. A very small portion of a car is visible.
Box 3	1992.0532.097, SI NEG. #93-7350, Black & Decker, Inc. Side view of a two door (c.1920-30s) car parked on a street in front of row houses and trees. There is a man standing at the back of the car, with the far back door opened his right hand is on wearing a pinstriped suit, with a wide rimmed hat and holding a drill in his left hand. There is a lamp to the immediate front right of the car. The license is visible in the back "1929 Penna / R50 972."
Box 3	1992.0532.098, SI NEG. #93-7349, Black & Decker, Inc. Picture of a light colored building to the proper right, and a car port with four cars parked (visible in the photo) to the proper left. There is a street visible in between the building and car port and in front of the building. The building has a small balcony above a door at the front of the building. In the far background is an electrical(?) pole with wires. The building has a smooth upper portion and a rock facade along the bottom half.
Box 3	1992.0532.099, SI NEG, #93-7348, Black & Decker, Inc. Picture of a light colored building with areas that the smooth facade appears to be wearing off . The building appears to be slightly run down. In front of the building is a man mowing the lawn. There are bushes/shrubs/trees immediately next to the building. The windows all have blinds open to varying heights. The United States Flag is on a pole to the far proper left of the photo, on top of the building. This photo shows the same building before repairs were made.
Box 3	1992.0532.100, SI NEG. #93-7347, Black & Decker, Inc. Picture of a light colored building, with "BLACK & DECKER" signs on the front and on the side. Bushes/shrubs/trees are visible immediately next to the building. Half of a car is visible to the proper left side of the photo (license plate "Maryland 75-801"). This photo is of the same building in 1992.0532.099 after it was repaired and the signs were installed.

Box 3	1992.0532.101, SI NEG #93-7346, Black & Decker, Inc .Picture of a light colored building, with two "BLACK & DECKER signs on the side, at each end of the building. Bushes/shrubs/ trees are landscaped around the building. The view is from a grassy area across the street .
Box 3	1992.0532.102, SI NEG.#93 7345, Black & Decker, Inc. Picture of a light colored building with bushes shrubs/ trees around the building. The landscaped entire building is visible . The view is from across the street, the area where the photographer is standing is dirt {not grass as in the previous picture 1992.0532.101). The building appears to be the same building as in 1992,0532.101, before the signs were put on the building. To the back of the proper left side of the photo there are cars £ c.1920s/ 1930s) parked, and behind them is a house visible through the trees. There is a glare to the proper right side.
Box 3	1992.0532.103, SI NEG.#93-7344, Black & Decker, Inc. This appears to be a concept drawing, or a photo of a drawing of the Black & Decker plant. Only the top half of the print has an image, below the image is "Black & Decker Plant at Towson, Md. 1927." The building in the foreground is large, with large windows all around. In the background is the Black & Decker building (that is visible in the previous photo's), there is a flag flying at the center of the building.
Box 3	1992.0532.104, SI NEG.#93-7343, Black & Decker, Inc. Picture of the Black & Decker building (in previous photos), three quarter view . Bushes/ shrubs/trees are landscaped around the building. "BLACK & DECKER signs are on the side , at each end building, however not at the front as in a previous photo (1992.0532.100, same buiding?).
Box 3	1992.0532.105, SI NEG.#93-7342, Black & Decker, Inc Picture of the Black & Decker building (in previous photo s) viewed from across the street entire building is visible . Snow is on the ground, part of the street is visible. "BLACK & DECKER" signs are on the side at each end. At the center, over the entrance is a flagpole ,with the chaing hanging down to the ground.
Box 3	1992.0532.106, SI NEG.#93-7341, Black & Decker, Inc. Close-up picture of the Black & Decker building. The building is light colored with stone the bottom half. There is a smali balcony above the entrance. There are three openings/ doors at the bottom. No "Black & Decker" sign is visible.
Box 3	1992.0532.107, SI NEG.#93-7340, Black & Decker, Inc. Close-up picture of a Black & Decker car/truck with the back door open. Tools are visible mounted on a wooden backboard. Small and large drills are visible , a circular saw, and other tools. There are two large tools on the floor at each side , {large drill and compressor?}. Mounted to the interior of the door is a round "buffer"{?}. [slightly different view as photo 1992.0532.110).
Box 3	1992.0532.108, SI NEG.#93-7339, Black & Decker, Inc. Picture of a car (circa 1920-1930), parked on the brick/cobblestone{?} street. In the background are rows of buildings, to the side of the street is a decorative

fence/wall. To the proper left side is a statue of a man seated. Visible through the windshield of the car, is a man leaning against the fence/wall.

Box 3

1992.0532.109, SI NEG.#93-7338, Black & Decker, Inc. Picture of a car (circa 1920-1930), parked on the street in front of a store. A man seated the car directly behind the man is a tool mounted to the side of the car. Faintly visible on the glass front of the store is "NEW JERSEY / ENGINEERING & SUPPLY CO.", address "577." There is a street sign directly behind the car that reads "60 A M P M. / BACK/ TO reflection of the car MIN./ PARKING / LIMIT / FROM 8 / TO 8 ALL CARS /IN CURB " In the there is a person standing.

Box 3

1992.0532.110, SI NEG.#93-7337, Black & Decker, Inc. Close-up picture of a Black & Decker car/truck with the back door open. Tools are visible mounted on a wooden backboard. Small and large drills are visible , a circular saw, and other tools. There are two large tools on the floor at each side, (large drill and compressor ?). Mounted to the interior of the door is a round "buffer"?) .[slightly different view as photo 1992.0532.107].

Box 3

1992.0532.111, SI NEG.#92-16749, Black & Decker, Inc. Portrait of a man, from upper torso. The sports jacket is pin striped, with a checkered. Background is dark. There are water spots on the photo, presumably on the original negative.

Box 3

1992.0532.112, SI NEG.#92-16750, Black & Decker, Inc. Portrait of a man from upper torso, with light polka dots. The sports jacket is dark, faintly pin striped and his tie is dark with light polka dots. The man is slightly leaning towards the camera. The hair is slightly slicked back .

Box 3

1992.0532.113, SI NEG.#92-16751, Black & Decker, Inc. Photograph of nine men in a room. Seven of the men are seated, two are standing to the proper on. One of right. One of the seated men appears to talking into a microphone a second seated man has ear phones he standing men is adjusting a sound machine]?). To the proper right is a small sign "BLACK & DECKER / HOLE SAWS." Tools & drill bits are visible along the wall to the proper right side. Wires connecting the microphone to the sound machine are visible in front of the table .

Box 3
