## Administrative Information

### Acquisition Information

Immediate source of acquisition unknown.

### Provenance

Collection transferred to the Archives Center by the Division of Work and Industry, National Museum of American History, in 2018.

### Processing Information

Collection is unprocessed.

### Preferred Citation

Division of Transportation Stereograph Collection, Archives Center, National Museum of American History

---

## Content Description

The collection contains stereographs by various makers. Most depict trains, railroads and railroad related subjects such as railyards, railroad bridges, elevated trains. Also included are many maritime subjects, including steamships, riverboats, harbors and shipyards. A few of the cards depict scenes in American cities such as New York and Chicago. The vast majority of the images are of scenes in the Northeastern United States, though there are several from Colorado, and a few foreign subjects.
