### Processing Information

Collection processed by Alison Oswald, archivist, 2023.

### Preferred Citation

Brooklyn Crozite Brick Corporation Records, Archives Center, National Museum of American History

### Restrictions

Collection is open for research.

### Conditions Governing Use

Collection items available for reproduction, but the Archives Center makes no guarantees concerning copyright restrictions. Other intellectual property rights may apply. Archives Center cost-recovery and use fees may apply when requesting reproductions.

---

## Content Description

Collection contains reports, photographs, diagrams, proposals, plans, and tests made on Crozite and clay bricks by the Brooklyn Crozite Brick Corporation. Crozite is the tradename of the product made of standard wet process or wet mixed concrete into bricks, blocks, hollow building tile and other structural and commercial forms. Crozite is a trademarked.

---
