## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 00-015, History of Science Society, Isis Current Bibliography Records

---

## Descriptive Entry

This accession consists of files about the *Isis Current Bibliography*, a published index to *Isis*, a publication sponsored by the History of Science Society. These files were created and maintained by the index's editor, John Neu. Materials document the publication of the four cumulations of the annual bibliographies; the establishment of the electronic version of the bibliography with the Research Libraries Group (RLG); the development of an international database for the history of science with the International Union for the History and Philosophy of Science; Neu's appointment; and correspondence with editors, various committees, and contributors to the bibliography.
