Administrative Information

Prefered Citation

Smithsonian Institution Archives, Accession 01-027, Smithsonian Institution. Office of Information Technology, Administrative Records

Descriptive Entry

These records document the administrative activities of the Office of Information Technology, and its predecessor the Office of Information Resource Management (OIRM). They include the memoranda of Vincent J. Marcalus, former OIRM Director, pertaining to management and budget; Vanstar consultation reports on the Unicenter TNG Rapid Deployment Engagement management information system for the Smithsonian Institution; a Network Analysis Report for the National Museum of American History; and OIRM call for plans.
