Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 01-103, National Air and Space Museum.
Associate Director for Collections and Research, Subject Files

Descriptive Entry

This accession consists of the subject files of Ted A. Maxwell, Associate Director for Collections and Research at the National Air and Space Museum (NASM), with earlier material dating back to when he served as Senior Advisor for Science, as Chairman of the Center for Earth and Planetary Studies (CEPS), and as Acting Research Director of CEPS. The records primarily consist of correspondence, memoranda, notes, reports, proposals, and meeting minutes that document NASM and CEPS-related activities, such as administrative issues, exhibition planning, research, collections management, development, symposiums, and planning for the NASM/Dulles extension facility.
