### Access Restriction

Restrictions pertaining to the use of these materials may apply (based on contracts/copyright). Access restrictions may also apply if viewing copies are not currently available. Viewing copies can be made for a fee. Contact reference staff for details.

---

## Descriptive Entry

These records document elements that contributed to the creation of "Engines of Change: The American Industrial Revolution, 1790-1860" the video epilogue to the National Museum of American History's exhibition of the same title. The video was produced during 1986 for the National Museum of American History and was completed in 1987. Materials include the original video footage, widow dubs of missing original footage, and master video tapes.

---
