Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 04-090, National Air Museum, Architecture and Construction Records

Descriptive Entry

This accession consists of a building proposal for the National Air Museum (NAM) done by the Public Buildings Administration in 1949. This particular proposal was not used. The proposal consists of narrative descriptions, site requirements, an organization chart, floor plans, site plans, elevations, sections, and photographs of a model of the building. Three of the images from the proposal have been scanned and are included in this accession as both electronic files on CD and photographic prints.
