Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Project Files
Identifier:	Accession 05-113
Date:	2000-2005
Extent:	199.35 cu. ft. (98 record storage boxes) (220 blueprint storage boxes) (4.55 non-standard size boxes) (12 oversize folders)
Creator::	Smithsonian Institution. Office of Facilities Engineering and Operations
Language:	Language of Materials: English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 05-113, Smithsonian Institution. Office of Facilities Engineering and Operations, Project Files

Descriptive Entry

This accession includes project files documenting the construction of National Museum of the American Indian (NMAI). Materials include correspondence, memoranda, and notes; budget summaries; submittals; manuals; specifications; photographs; floor plans; construction schedules; field and daily reports; and meeting minutes. Each listing includes Office of Facilities Engineering and Operations (OFEO) number, description and subject.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Architectural design
- Buildings -- Maintenance
- Buildings -- Repair and reconstruction
- Museum buildings
- Smithsonian buildings

Types of Materials:

- Architectural drawings

Color photographs
Color transparencies
Compact discs
Drawings
Floor plans
Manuscripts

Names:

National Museum of the American Indian (U.S.)
