Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 06-131, Association for Tropical Biology, Records

Descriptive Entry

This accession consists of records documenting the activities of the Association for Tropical Biology, now known as the Association for Tropical Biology and Conservation. The Association for Tropical Biology (ATB) was founded in 1963 to promote research and to foster the exchange of ideas among biologists working in tropical environments. Materials include correspondence, agendas, reports, directories, and related materials.
