---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 06-269, Smithsonian Institution. Office of Telecommunications, Productions

### Access Restriction

Restrictions pertaining to the use of these materials may apply (based on contracts/copyright). Access restrictions may also apply if viewing copies are not currently available. Viewing copies can be made for a fee. Contact reference staff for details.

---

## Descriptive Entry

This accession consists of audiovisual materials created during the production of a series of short videos to accompany the National Museum of American History exhibition, "Engines of Change: The American Industrial Revolution, 1790-1860." The videos document particular types of machines, such as planer saws, shapers, and lathes. Materials include original footage, transfers, and dub masters.

---
