Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., <i>osiaref@si.edu</i>
Creator:	Smithsonian Institution, Smithsonian Business Ventures, Product Development and Licensing
Title:	Product and Contract Records
Dates:	1971-2005
Quantity:	42 cu. ft. (42 record storage boxes)

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 07-001, Smithsonian Institution, Smithsonian Business Ventures, Product Development and Licensing, Product and Contract Records

Use Restriction

Restricted for 15 years. Any requests to access these records during the restriction period, including requests from the staff of Smithsonian Business Ventures, must first receive permission, in writing, from the Director of Product Development and Licensing, until Jan-01-2021; Transferring office; 08/16/1994 memorandum, Johnstone to Watson; Contact reference staff for details.

Descriptive Entry

This accession consists of records which document the processes of Product Development and Licensing at Smithsonian Business Ventures. The unit's primary function is to generate revenue for the Institution through the licensing and development of products related to collections within the Smithsonian museums. Some of these products include greeting cards, jewelry, educational toys, books, clothes, magnets, kites, models, and dinnerware. Materials include correspondence, memoranda, notes, clippings, contracts, catalogs, photographs, color negatives, drawings, illustrations, page proofs, compact discs, floppy disks, and product samples.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:
Contracts

License agreements
Licensed products
Marketing
New products
Product management

Types of Materials:

Brochures
Clippings
Color negatives
Color photographs
Compact discs
Drawings
Floppy disks
Illustrations
Manuscripts
