Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 07-048, National Air and Space Museum. Space History Division, Exhibition Records

Descriptive Entry

This accession consists of records documenting the planning, execution, and upgrade of exhibitions created by the Space History Division and its predecessor offices. These records primarily pertain to the exhibition *Beyond the Limits: Flight Enters the Computer Age*. Records also document general exhibition-related activities as well as the exhibition *Space Race*. Materials include scripts, budgets, correspondence, memoranda, fundraising information, press releases, reports, clippings, press packets, handouts, floor plans, visitor comment forms, bibliographies, and related materials.
