Descriptive Entry

This accession consists of records documenting the activities and administration of the American Association of Museums (AAM), Committee on Education (EdCom). EdCom brings together museum educators and other museum professionals to advance the purpose of museums as places of learning, to serve as advocates for audiences, and to promote professional standards and excellence in the practice of museum education. Materials in this accession include correspondence, reports, planning documents, proposals, survey results, brochures, website printouts, newsletters, and Board meeting agendas and minutes. Some materials are in electronic format.
