Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Correspondence
Identifier:	Accession 10-051
Date:	1952-2006
Extent:	13.5 cu. ft. (13 record storage boxes) (1 document box)
Creator::	National Museum of Natural History. Department of Invertebrate Zoology
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 10-051, National Museum of Natural History.
Department of Invertebrate Zoology, Correspondence

Descriptive Entry

This accession consists of records created and maintained by Kristian Fauchald, Curator, Chairman, and Research Zoologist, 1979- . The correspondence pertains to collections, proposals, research, students, and departmental administration. Some correspondence is from his time at the University of Southern California (1965-1979) before his arrival at the Smithsonian. Also included are general administrative files and his work with the Electronic Publishing Working Group at the Smithsonian, the American Society of Zoologists, the Society of Systematic Zoology, and the Biological Society of Washington. Materials include correspondence, proposals, reports, administrative files, photographs, illustrations, and plates. Some materials are in electronic format.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

Annelida
Polychaeta
Worms
Zoologists

Types of Materials:

Black-and-white photographs
Clippings
Color photographs
Color transparencies
Floppy disks
Illustrations
Manuscripts
Picture postcards
Plates (illustrations)

Names:

American Society of Zoologists
Biological Society of Washington
Electronic Publishing Working Group
Fauchald, Kristian
Society of Systematic Zoology (U.S.)
University of Southern California
