## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 10-052, National Museum of Natural History.  
Department of Invertebrate Zoology, Correspondence

---

## Descriptive Entry

This collection consists of records created and maintained by Marian H. Pettibone, a curator and curator emeritus in the Division of Worms and the Department of Invertebrate Zoology until 1998. Her specialty was polychaetes. Materials include correspondence, manuscripts, reviews, photographs, and transaction files concerning specimen identifications and loans. Some materials are in electronic format.
