## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 10-121, National Science Resources Center, Website Records

### Access Restriction

Advisory Board website (originally <http://www.nsrboard.si.edu>) is permanently restricted. Contact reference staff for details.

---

## Descriptive Entry

This accession consists of the five National Science Resources Center (NSRC) websites as they existed on April 2, 2010. NSRC is jointly administered by the Smithsonian Institution and the National Academies. In addition to NSRC's main website, which includes information about the organization's programs, resources, staff, and Advisory Board, NSRC has additional websites for its curriculum "Science and Technology Concepts for Middle Schools," a subset of that curriculum known as "Properties of Matter," and the Smithsonian Science Education Academies for Teachers as well as a website for use by members of the Advisory Board.
