Smithsonian Institution Archives, Accession 11-079, Smithsonian Institution, Traveling Exhibition Service, Website Records

Descriptive Entry

This accession consists of a website for the traveling exhibition, "Yesterday's Tomorrows: Past Visions of the American Future," which offered a unique history of popular expectations and beliefs about the shape of things to come. The website touches upon the themes of the exhibition and includes a tour schedule and resource links. The tour ended in 2005, but the website remained online until the domain was released on February 15, 2011. This accession includes all of the existing files for the website as of February 7, 2011. Some pages are represented by multiple versions from different points in time. Materials are in electronic format.
