Smithsonian Institution Archives, Accession 11-308, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of the National Museum of Natural History, Field Book Project blog as it existed on June 16, 2011. The Field Book Project is a joint initiative between the National Museum of Natural History and the Smithsonian Institution Archives to create a single online location for scholars and others to visit when searching for field books and other field research materials. The blog highlights materials found while cataloging the materials and provides context for their creation. Materials are in electronic format.
