Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 12-072, Smithsonian Institution, Office of the Under Secretary for Science, Website Records

Descriptive Entry

This accession consists of two websites maintained by the Office of the Under Secretary for Science as they existed on July 26, 2011.

The website of the Scientific Diving Program provides information on institutional policies, safety, training programs, and research. It also serves as a portal for diving information available from other websites.

The website of the Marine Science Network provides information about the Smithsonian Institution's network of coastal laboratories and long-term marine research sites as well as research projects, funding, and publications. It also serves as a portal for marine science research across the Smithsonian Institution's websites. Materials are in electronic format.
