Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Audiovisual Recordings
Identifier:	Accession 12-096
Date:	circa 1983-2009
Extent:	10 cu. ft. (10 record storage boxes)
Creator::	National Museum of Natural History. Office of Public Affairs
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 12-096, National Museum of Natural History.
Office of Public Affairs, Audiovisual Recordings

Descriptive Entry

This accession consists of audiovisual recordings featuring the National Museum of Natural History (NMNH) and its staff, activities, events, research, exhibitions, and objects. Some materials were created by NMNH and others were created by news media and radio, television, and video production companies. Included in this accession are interviews with staff, lecture recordings, public service announcements, B-roll footage, news segments, exhibition films, educational videos, television productions, and related media types. Materials include film, video, and audio, some of which is accompanied by correspondence, segment lists, and other documents related to the content. Some materials are in electronic format.
