## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 12-179, National Museum of Natural History.  
Office of Academic Services, Program Records

---

## Descriptive Entry

This accession consists of records created and maintained by Mary Sangrey, Director, documenting intern, training, fellowship, and minority student outreach programs administered by the Office of Academic Services. The majority of the records pertain to the Research Training Program, a summer program that allows undergraduate students the opportunity to perform research with museum scientists. Materials include correspondence and memoranda; program manuals, schedules, and orientation materials; participant information; research papers, posters, and presentations; images; printouts of program websites; grant proposals and reports; posters advertising programs; statistics and reports; and related materials. Some materials are in electronic format. Some records may have originated in the Department of Botany and the Department of Paleobiology.
