## Administrative Information

### Prefered Citation

Smithsonian Institution Archives, Accession 12-195, Smithsonian Institution, Office of the Under Secretary for Science, Website Records

## Descriptive Entry

This accession consists of the website for the Smithsonian Institution Science Commission as it existed on June 16, 2011. The commission was established on May 7, 2001 to set priorities for scientific research across the Smithsonian Institution. The final report was issued on January 7, 2003 after which the website was no longer updated. The website includes reports, meeting minutes, member biographies, and other documentation of the commission. Materials are in electronic format.
