Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 12-552, National Museum of Natural History.
Office of Public Affairs, Audiovisual Recordings

Descriptive Entry

This accession consists of audiovisual recordings featuring the National Museum of Natural History (NMNH) and its staff, activities, events, research, exhibitions, and objects. Some materials were created by NMNH and others were created by news media and radio, television, and video production companies. Included in this accession are interviews with staff, lecture recordings, B-roll footage, news segments, educational videos, television productions, and related media types. Materials include video and audio. Some materials are in electronic format.
