## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 13-117, Website Records

---

## Descriptive Entry

This accession consists of the website of the Encyclopedia of Life (EOL), Learning + Education Group as it existed on July 10, 2012. EOL is a global partnership between the scientific community and the general public to make freely available to anyone knowledge about all the world's organisms. This website is EOL's gateway for educators, students, and enthusiasts worldwide. It includes tips for using the EOL website, model projects, instructions for activities, and other educational resources. Materials are in electronic format.

---
