Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 13-185, National Museum of African American History and Culture, Website Records

Descriptive Entry

This accession consists of two websites maintained by the National Museum of African American History and Culture as they existed on March 1, 2013.

The main website for the museum includes information about the building design, collections, educational programs, and donating to the museum. The website also includes press releases.

The "Smithsonian National Museum of African American History and Culture: Building the Museum" website focuses on the design of the museum, including information about the architects, the architects' vision, and drawings submitted by finalists in the design competition.

Materials are in electronic format.
