Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Website Records
Identifier:	Accession 13-193
Date:	2012
Extent:	
Creator::	Smithsonian Astrophysical Observatory
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 13-193, Smithsonian Astrophysical Observatory, Website Records

Descriptive Entry

This accession consists of the website and mobile website for the Chandra X-ray Center as they existed on October 29, 2012 and on December 18, 2012. The Center is operated by the Smithsonian Astrophysical Observatory for the United States National Aeronautics and Space Administration. The website includes information about the telescope and its mission; educational activities; x-ray astronomy field guides; images taken by Chandra (thumbnail only); press releases; and podcasts. This accession also includes a mobile version of the website which includes minimal content. Materials are in electronic format.
