Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 13-232, National Museum of Natural History,
Website Records

Descriptive Entry

This accession consists of the Global Volcanism Program website, crawled in two parts on May 23 and 30, 2013. The Global Volcanism Program seeks to document, understand, and disseminate information about global volcanic activity. A redesigned website was launched on May 20, 2013. It includes volcano activity reports and information about individual volcanoes, including maps and images. Data found in this accession is incomplete. Materials are in electronic format.
