## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 13-244, National Zoological Park. Office of Public Affairs and Communications, Audiovisual Recordings

---

## Descriptive Entry

This accession consists of audiovisual recordings featuring the National Zoological Park (NZN) and its animals, staff, activities, events, research, and exhibitions. Some materials were created by NZN and others were created by news media and radio, television, and video production companies. Included in this accession are news segments, interviews with staff, public service announcements, B-roll footage, educational videos, television productions, and related media types. Materials include video and audio. Some materials are in electronic format.

---
