Preferred Citation

Smithsonian Institution Archives, Accession 13-255, National Museum of Natural History,
Website Records

Descriptive Entry

This accession consists of the National Museum of Natural History, Field Book Project website as it existed on January 3, 2013. The Field Book Project is a joint initiative between the National Museum of Natural History and the Smithsonian Institution Archives to create a single online location for scholars and others to visit when searching for field books and other field research materials. The website includes information about the project as well as educational activities and lesson plans. Materials are in electronic format.
