Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 13-260, National Museum of American History.
Office of the Director, Subject Files

Descriptive Entry

This accession consists of task force reports created as part of strategic planning at the National Museum of American History (NMAH) during the tenure of Spencer R. Crew. The strategic planning process involved the creation of task forces that were charged with examining a variety of areas at NMAH : 20th century research and collecting, community studies, education, exhibits maintenance, music programs, new media, project management, research, collection information system, staff development, collections documentation standards, collections management procedures, exhibit review and approval process, exhibits upgrades, external affairs, and the public space reinstallation plan. Materials include reports.
