---

## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 14-017, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of a website and blog maintained by the Department of Invertebrate Zoology.

The departmental website, crawled September 6, 2013, includes information about staff, collection policies, research, and departmental history. It also includes an online archive of the newsletter, "No Bones."

The "No Bones" blog, crawled September 18, 2013, documents departmental news and research. The first post was in February 2013.

Materials are in electronic format.

---
