## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 14-018, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of a website and blog maintained by the Department of Vertebrate Zoology as they existed on September 10, 2013.

The departmental website includes information about its divisions, staff, collections, research, policies, and fellowships. This accession does not include detailed collections information.

The blog, "The Backbone: News from the Department of Vertebrate Zoology," documents departmental news and research. The first post was in September 2012.

Materials are in electronic format.

---
