Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 14-053, National Museum of Natural History. Smithsonian Marine Station at Fort Pierce, Website Records

Descriptive Entry

This accession consists of the Caribbean Coral Reef Ecosystems Program website as it existed on May 29, 2013. The website includes information about the program, its projects, and its Carrie Bow Cay Field Station in Belize as well as information for visiting scientists. The program is administered by the Smithsonian Marine Station at Fort Pierce, a facility of the National Museum of Natural History. Materials are in electronic format.
