## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 14-062, National Museum of the American Indian, Website Records

---

## Descriptive Entry

The "Indigenous Geography" website, maintained by the National Museum of the American Indian, was crawled on September 14, 2013. The website welcomes visitors to explore universal themes from perspectives of Native communities throughout the Western hemisphere by presenting a multi-layered view of indigenous ways of life and of issues affecting contemporary indigenous peoples. It includes community profiles and educational resources and is available in both English and Spanish. Materials are in electronic format.

---
