## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 14-070, Smithsonian Institution, Office of Protection Services, Website Records

---

## Descriptive Entry

This accession consists of two websites maintained by the Office of Protection Services (OPS) as they existed on October 17, 2013. The main OPS website includes security information and visitor policies. The "Smithsonian Alerts" website provides information about preparing for and responding to a wide variety of emergency situations; serves as a portal for information about federal or Smithsonian Institution closures and dismissals; and allows staff to register for messages about emergency situations to be sent to their mobile phone or personal email. Materials are in electronic format.
