Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 14-073, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the blog "Pyenson Lab," maintained by the Department of Paleobiology, as it existed on October 31, 2013. The blog is written by a research group led by Nicholas D. Pyenson, a paleobiologist specializing in marine mammals. The blog chronicles the group's research and other professional activities. The first post was in June 2011. Materials are in electronic format.
