## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 14-118, Nathan Reingold Papers

---

## Descriptive Entry

This accession consists of the papers of Nathan Reingold, historian, documenting his interest in the editorship of the history of science publication *Isis*, as well as his participation in symposiums and workshops at the Rockefeller Archive Center and the Peabody Institute. The papers also document Reingold's activities in regard to his editorial reviews of books and articles for publishers, and his survey of United States Patent Office records. Materials include correspondence, memoranda, and notes; reports; proposals; and publications.
