Collection Overview

Repository:	Smithsonian Institution Archives, Washington, D.C., osiaref@si.edu
Title:	Productions
Date:	1993-1994
Identifier:	Accession 14-193
Creator::	Smithsonian Institution. Office of Telecommunications
Extent:	1 cu. ft. (1 record storage box)
Language:	English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 14-193, Smithsonian Institution. Office of Telecommunications, Productions

Access Restriction

Restrictions pertaining to the use of these materials may apply (based on contracts/copyright). Access restrictions may also apply if viewing copies are not currently available. Viewing copies can be made for a fee. Contact reference staff for details.

Descriptive Entry

This accession consists of original footage recorded for the exhibition video "Maine Coast." The video was part of "Exploring Marine Ecosystems" at the National Museum of Natural History (NMNH). The video was produced by Karen Loveland in 1995 and featured the research of Walter H. Adey, Curator/Research Scientist, NMNH, Department of Botany, and the NMNH, Marine Systems Laboratory. Materials include videotapes.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:

Subjects:

- Documentary videos
- Marine ecology
- Museum exhibits
- Natural history museums
- Video recordings -- Production and direction

Types of Materials:

- Videotapes

Names:

Adey, Walter H.
Exploring Marine Ecosystems (Exhibition) (1995-1999: Washington, D.C.)
Loveland, Karen
National Museum of Natural History (U.S.)
National Museum of Natural History (U.S.). Department of Botany
National Museum of Natural History (U.S.). Marine Systems Laboratory

Places:

Maine

Preferred Titles:

Maine Coast (Documentary film : 1995)

Container Listing
