Title:	Website Records
Identifier:	Accession 14-202
Date:	2014
Extent:	
Creator::	Smithsonian Institution
Language:	Language of Materials: English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 14-202, Smithsonian Institution, Website Records

Descriptive Entry

This accession consists of the "Smithsonian Ornithology: Where Research Takes Flight" website as it existed on January 13, 2014. The website describes ornithological research projects and conservation efforts occurring across the Smithsonian Institution, including by scientists at the National Zoological Park, the National Museum of Natural History, and the Smithsonian Tropical Research Institute. It also details the history of ornithological research at the Smithsonian. The website was taken down shortly after it was crawled. Materials are in electronic format.
