Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 14-250, National Museum of Natural History, Website Records

Descriptive Entry

This accession consists of the Department of Paleobiology website as it existed on May 29, 2014. The website includes information about the department and its history, staff, research, and collections as well as "features" - narratives or mini-exhibitions about portions of the collection, research topics, or news items. Also included is the website for the Evolution of Terrestrial Ecosystems (ETE) Program which is a subdirectory of the departmental website. Detailed collections information is not included in this accession. Materials are in electronic format.
