## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 15-037, Smithsonian Institution, Website Records

---

## Descriptive Entry

This accession consists of two websites dedicated to searching the collections of the Smithsonian Institution.

The "Collections Search Center" website, crawled July 15, 2014, is the public search portal for over 8.6 million catalog records for Smithsonian Institution museum objects and library and archives materials, many of which include online images, video and sound files, electronic journals and other online resources. This accession consists of the information pages on the website and does not include collections information.

The Smithsonian Institution Research Information System (SIRIS) website, crawled July 16, 2014 and again on July 24, 2014, is the public search portal for several Smithsonian Institution library, archives, and research catalogs. This accession primarily consists of the informational pages on the website and does not include collections information.

Materials are in electronic format.
