Descriptive Entry

This accession consists of the "Ancient Heritage in the BTC-SCP Pipelines Corridor: Azerbaijan - Georgia - Turkey" website as it existed on October 2, 2014. This website presents findings of a collaborative research initiative among archaeologists in Azerbaijan, Georgia, and Turkey and their colleagues from the National Museum of Natural History's Asian Cultural History Program, and the Smithsonian Institution's Office of Policy and Analysis and Office of the Chief Information Officer. Due to technical issues, the interactive map may not load properly in this accession. Materials are in electronic format.
