Title:	Website Records
Identifier:	Accession 15-127
Date:	2014
Extent:	
Creator::	Lemelson Center
Language:	Language of Materials: English

Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 15-127, Lemelson Center, Website Records

Descriptive Entry

This accession consists of the Lemelson Center website as it existed on December 28, 2014, shortly after the Center's three websites and blog were integrated into a single website. The website includes information about the Center and projects in development including the "Places of Invention" exhibition and the redesigned "Spark!Lab" gallery, both to be opened at the National Museum of American History. The website also includes experiments and other activities as well as educational multimedia resources. Materials are in electronic format.

Names and Subject Terms

This collection is indexed in the online catalog of the Smithsonian Institution under the following terms:
