Administrative Information

Preferred Citation

Smithsonian Institution Archives, Accession 15-166, Smithsonian Environmental Research Center, Website Records

Descriptive Entry

This accession consists of the "Undaria Watch" website, maintained by the Smithsonian Environmental Research Center, as it existed on February 18, 2015. The website provides information about identifying and eradicating an invasive species of kelp known as undaria. It also provides information about the impact of undaria and its spread throughout the world. Materials are in electronic format.
