## Administrative Information

### Preferred Citation

Smithsonian Institution Archives, Accession 15-191, National Museum of Natural History, Website Records

---

## Descriptive Entry

This accession consists of the Fossil Hall section of the National Museum of Natural History website as it existed on April 15, 2014, the day of the arrival of the new *Tyrannosaurus rex* fossils (dubbed the Nation's T. Rex). The section includes information about the arrival and preparation of the fossils as well as the closure of the Fossil Hall on April 27, 2014, and the temporary exhibitions, "The Rex Room" and "The Last American Dinosaurs: Discovering a Lost World," which would open in the coming months. Due to technical issues, videos may not function properly. Materials are in electronic format.
